Town, Country Restaurant Opens Here

The Town & Country, one of the finest restaurant plants in Arkansas, opened for business today at Third and Shover Sts., U. S. Highway 67. A formal opening program will be announced for later this month.

The spacious brick building, just completed by Ben D. Edwards, Hope contractor, is owned by Mrs. Mary Black Johnson, owner of the adjoining Tarpley Court.

The operator is the Town & Country Co., of which Frank McLarty is president; Mrs. Free da Greenan vice-president; and Hayes McKinney secretary-treasurer.

The restaurant general manager is Herbert Darnell, native of Columbus and veteran in restaurant operations, coming to Hope from the Town House at Arkadelphia.

Associated with him are Al Gideon, chef, formerly of the Arlington and Avenelle in Hot Springs; and Mrs. Mildred Purina, hostess, native of Fort Smith.

One of the features of the Town & Country is a magnificent dining room 80 by 25 feet, decorated with original oil paintings and equipped with a flexible divider wall to cut the room into two sections for simultaneous meetings.

Secretary of State Speaks to Rotarians

Secretary of State Kelly Bryant, a native of Hope and a member of the Hope Rotary Club, presented the program at the Rotary Club Luncheon last Friday. Although he is unable to attend the local club meetings with any degree of regularity, he always makes a special effort to fulfill his obligation for a program when his regular time comes up. He keeps his attendance record intact by attending in Little Rock or wherever he might be at Club meeting time.

Mr. Bryant told Rotarians something of the duties of the Secretary of State, pointing out the fact that he is also a member of, and in some cases, secretary of several Boards and Commissions. Of particular interest to Hope Rotarians was some proposals filed with the Secretary of State for the redistricting of the State of Arkansas to conform to the recent United States Supreme Court ruling. One such proposal, as shown by Mr. Bryant, would place Hempstead County in District Three which would include all of Northwest and Western Arkansas. He urged local citizens to give some thought and study to all of the plans that will be submitted to the Arkansas Legislature next year in order that we will be placed in an area that we will be to our best advantage.

Mr. Bryant stated that one of his most pleasant jobs at this time of the year was that of supervising the installation of the Christmas Decorations for the Capitol Building. He issued an invitation to all who could, to attend the Christmas Program and the turning on of the lights on Saturday December 19th, beginning at 5:30 in the afternoon. "For those who cannot attend we urge you to enjoy this program on television," said Mr. Bryant.

2 Negroes Charged With Theft Here

Two local Negroes, both 18, were arrested over the weekend by Chief of Police Alvin Willis and charged with grand larceny and shoplifting.

They are listed as Steve Brown, Jr., who is alleged to have taken a gun from Dorsey Askey's truck and pawned it at Hall's Grocery. He was released to the county for prosecution. The gun was recovered.

Joe Davis Johnson, 18, is accused of shoplifting in connection with the theft of gloves from Morgan and Lindsey Store. Chief Burke said he pawned them to Hall's Grocery and that six pairs of gloves had been recovered.

Unions Decide No Rail Strike Before Jan. 1

CHICAGO (AP)—Three shop craft unions made known today there will not be any nationwide railroad strike until after Jan. 1.

Alex Elson, lawyer for the Machinists, Electric Workers and Sheet Metal Workers unions, made the announcement in U.S. District Court.

Elson told Judge Joseph Sam Perry he had been authorized to state there "will not be a strike until after the first of the year."

The unions last week had set a strike for 6 a.m. Tuesday that would have idled more than 90 per cent of the railroad traffic at a time pre-Christmas travel, mail and merchandise shipments are at a peak.

The rail lines hurried into court and sought a temporary order and an injunction to halt the walkout. Lawyers for the carriers had argued that a work stoppage would cost the railroads more than \$26 million a day.

One Killed and One Hurt in Hit-Run Accident

One Negro was killed and another seriously injured Sunday night in a hit-and-run accident on Highway 4 north of Ozan.

State Police identified the dead man as Mizell Walker, about 38, a resident of Ozan. Pete White, 47, also of Ozan sustained compound fractures.

Arkansas State Police said the men were pushing a car when they heard another approaching. Barry Not to Run, Points to Nixon as Best

WASHINGTON (AP) — Sen. Barry Goldwater pointed today to former Vice President Richard M. Nixon and Govs. Mark O. Hatfield, George Romney and William W. Scranton as potential contenders for the 1968 Republican presidential nomination.

He said he thinks that as of now Nixon "has the biggest" For himself, the beaten GOP nominee shunned the role of national party leader and ruled out another race for the White House.

He said he will be "a working member" of the party.

Goldwater, in a copyright interview with U.S. News & World Report, defended GOP National Chairman Dean Burch, insisted his landslide loss to President Johnson did not cripple the conservative movement and declared his presidential bid was over before it really began.

He said only former President Dwight D. Eisenhower could have beaten Johnson for the Republicans.

"Frankly," he said, "I think that I was beaten July 15." That was the day the Republican National Convention nominated him for the White House.

Goldwater said the whole campaign "was run on fear of me," and that fear was planted before he was nominated.

The Arizona senator said his Republican challengers painted "a caricature of Goldwater," depicting him as a trigger-happy man and a foe of the Social Security system.

"This thing started in the primaries — and, try as I would, it could not be erased," he said.

"The only thing that I think might have been done could have been done by those in the Republican party who first

Johnson Approves Reserve Plan But Association Asks a Complete Investigation

By JOSEPH R. COYNE

WASHINGTON (AP) — President Johnson says the plan to abolish the Army Reserves is "prudent and wise."

The Reserve Officers Association disagrees and demands a thorough investigation of Secretary of Defense Robert S. McNamara's plan to do away with the Reserves by merging some units into the National Guard and placing the rest on inactive status.

The association said the Air Force Reserve will be the next to go.

McNamara's proposal — aimed at saving \$150 million yearly by abolishing units which the defense secretary says are no longer needed — faces some stiff opposition on Capitol Hill. Congress has control over such proposals at least the extent of providing money to carry them out.

Plans involving Army National Guard changes also are under discussion. Secretary of the Army Stephen Ailes said Sunday night that current planning concepts call for the six high-priority and two special-purpose divisions of the Guard to be converted into a division base and one brigade. But he said this was a concept "and not a firm plan," to be considered by the Army in conjunction with Reserve and National Guard authorities.

Some congressional criticism on the Reserve plan has been sharp and two congressional inquiries have already been promised in the wake of Saturday's announcement by McNamara.

Chairman F. Edward Hebert, D-La., of the House Armed Services subcommittee on the Reserves and National Guard, said McNamara "demonstrated his contempt for Congress" by issuing the plan.

Chairman John Stennis, D-Miss., of the Senate Armed Services Preparedness subcommittee, said he'll do his utmost to maintain the Reserve force and expressed the belief Congress must approve the plan before it can go into effect.

Both men said their subcommittees will hold hearings on the plan next year but no dates were set.

Johnson's public endorsement of McNamara's decision was disclosed in an exchange of letters with Rear Ad. Edgar G. Reeder, Reserve Officers Association president, who had asked Johnson to reverse it.

The President's reply was dated Dec. 12 and made public by the ROA Sunday. It read in part:

"I am sure you share my belief in economy in government and maximum combat readiness for our forces, and I know that you will agree — when you are fully acquainted with the nature of the realignment — that this move is both prudent and wise."

Johnson said he would ask the Defense Department to brief Reeder on the proposal.

Reeder, however, said he wasn't convinced "that the destruction of the Reserves serves the cause of national security, nor that national security motives alone prompted these decisions."

He said the motives of every individual who contributed to "this shocking alteration of historic national policy" should be reviewed and exposed.

Reeder predicted a similar fate for the Air Force Reserve as soon as Gen. Curtis LeMay retires as Air Force chief of staff.

State adjutants general, however, were reported ready to go along with the changes if the department and top congressional leaders want them.

Maj. Gen. Henry W. McMillan, Florida's adjutant general who attended a department briefing of the plan, said upon his return to St. Augustine Sunday:

"It was the consensus of the generals there, and I share it, that if the Department of Defense and responsible congressional leaders feel that the best interests of national defense will be served by merger, they felt the majority of states would respond favorably."

In announcing the changes Saturday, McNamara made no reference to congressional action in his prepared statement but told newsmen some aspects of the reorganization would require congressional attention.

He mentioned specifically the money which would be needed to increase the size of the Na-

tional Guard. Money aspects of the program will be reflected in the budget for the fiscal year which begins July 1.

Hebert, in a statement issued in New Orleans, said McNamara "arrogated to himself a power he does not have."

Russians Oust Americans and U.S. Retaliates

WASHINGTON (AP) — The United States today ordered the ouster of three Soviet embassy military attaches, also imposed on three American attaches in Moscow.

A spokesman said the three Soviet officers had been declared personally unacceptable here "for activities incompatible with their diplomatic statuses."

The spokesman declined to say what activities the three were accused of.

When he was asked whether there was a connection between the order for their departure and the withdrawal of the American attaches from Moscow, announced earlier today, he suggested "draw your own conclusions."

The three Red military men who are to leave the United States as soon as possible were named by the State Department as General-Major Vasily V. V. Zhdanovsk, Col. Vladimir P. Grechanin and Col. Aleksandr V. Udalov.

MOSCOW (AP) — Four Western military attaches accused by the Soviet Union of spying are being withdrawn from their embassy posts here because of Soviet restrictions placed on them for the past two months, the U.S. and British embassies announced today.

Three American attaches and a Briton had been denied permission to travel in the Soviet Union since they were forcibly searched Sept. 26 at Khabarovsk spokesmen said.

They will leave the Soviet Union within a week, the Soviet government was informed.

"Appropriate action is being taken" against Soviet military attaches in Washington and London, the American spokesman said.

Someone Shoots at Carlisle Mayor

CARLISLE, Ark. (AP)—State Trooper Bill Breashears said Sunday that someone fired a shot at Mayor Bobby L. Glover of Carlisle and missed his head only by only three or four inches.

He said the shot, apparently from a rifle, was fired about 10:30 p.m. Saturday as Glover was opening the door to his office. The bullet hit the door.

Breashears said a man was being held at Loneke in the Loneke County Jail in connection with the shooting.

There will be a meeting of the Veterans of Foreign Wars at 7:30 p.m. on Tuesday, Dec. 15 for the purpose of electing a junior vice-commander, says John Lloyd.

Work has started on Highway 29 north from Blevins, a nine mile stretch that connects with Highway 19. The Highway Department let the contract several weeks ago. At present cleaning and grubbing is underway and contractors will soon start moving fences and laying bridge pipe.

Whitfield Masonic Lodge No. 239 will have a regular meeting on Tuesday, December 15 at 7:30 p.m. at Masonic Hall.

Texarkana Little Theater will present "The Miracle Worker" in the Arkansas Municipal Auditorium starting tonight. Other performances will be held Tuesday and Wednesday nights. Everyone is invited.

Industry Shoots Up in Arkansas

LITTLE ROCK (AP)—Arkansas' manufacturing activity in 1963 was up almost 61 per cent over 1958, the Census Bureau reported today.

In 1963, the state's "value added by manufacturing" was \$952 million. In 1958, year of the last such census of manufacturers, the total was \$592 million.

Value added by manufacturing is the difference between the value of manufactured goods shipped and the cost of materials used to produce them.

Total employment in the state's manufacturing plants in 1963 was 114,000 compared with 89,000 in 1958, the Census Bureau reported. Of the 1963 total, 96,000 were classed as production workers.

The 114,000 drew \$437 million in wages. The 96,000 production workers drew \$331 million.

Arkansas ranked 33rd among the states in manufacturing in 1963. Of states adjacent to Arkansas, Texas led output with \$6,811 billion, Missouri \$4,277 billion, Tennessee \$3,317 billion, Louisiana \$1,909 billion, Mississippi \$1,008 billion and Oklahoma \$983 million.

Rights Measure Is Upheld by Supreme Court

WASHINGTON (AP) — The Supreme Court upheld the public accommodations section of the 1964 Civil Rights Act today in a case involving the Heart of Atlanta Motel.

The tribunal ruled in the Atlanta action as the first case on that section of the new law.

The court also upheld the public accommodations section applied to a Birmingham, Ala., restaurant.

WASHINGTON (AP) — The Supreme Court ruled today the new Civil Rights Act requires dismissal of charges made against sit-in demonstrators before the act was passed.

The decision, announced by Justice Tom C. Clark, freed three Negro demonstrators specifically involved in appeals. The court was told, during argument of the appeals by the three, that about 3,000 criminal prosecutions for sit-in demonstrations were still pending in Southern states.

Justice Tom C. Clark delivered the court's main opinion.

Moreton Rolleston Jr., Atlanta attorney and an official of the motel corporation, filed suit in U.S. District Court in Atlanta to block enforcement of the law within two hours after it was signed by President Johnson on July 2.

Three judges in the district court upheld the public accommodations section in a July 21 ruling and Rolleston appealed to the highest tribunal. The Supreme Court heard arguments on the appeal on the first day of its new term, Oct. 5. Usually no arguments are heard on appeal. (Continued on Page Two)

Dimes Used to Combat Birth Defects

"Birth defects kill and cripple more American children than any other human disorder. The March of Dimes is leading the fight against birth defects because it believes the people are ready to join an all-out campaign against this tragic waste of human life."

Mrs. Dorothy Camp made this statement today as she accepted the Hempstead chairmanship of the 1965 March of Dimes. The traditional January fund drive opens on January 2 and concludes on January 31.

"As a matter of fact," she declared, "one might call certain birth defects perpetual epidemics since they are relentlessly transmitted from generation to generation. As for emergencies," added Mrs. Camp, "is it not an emergency when 250,000 birth defect babies are born each year, thousands of them doomed to a lifetime of mental or physical disability?"

The county leader pointed out that the March of Dimes in the past six years has made important advances in the fight against birth defects.

Through the 50 March of Dimes-financed centers an clinics across the country, trained medical teams are providing the best medical care available for birth defect children and working to develop new techniques which will enable many more of them to live a useful life.

Scientists supported by March of Dimes grants are also at work in a great number of university laboratories in this country and abroad, seeking the causes of these fearful conditions and w of preventing them.

Rights Measure

ening day, but the issue was given a hurried hearing.
Rolleston argued his own appeal before the Supreme Court. "The fact that Negroes are involved in this issue is purely incidental," he told the justices. "The fundamental issue is whether Congress has the right to take away from a private business concern the owner's choice of running his firm as he wishes and choosing his customers."
Solicitor General Archibald Cox, arguing in opposition to Rolleston, said Congress properly outlawed racial discrimination under its power to regulate interstate commerce. Cox contended this power enabled Congress to regulate local activity too.
Any argument that the new law was to relieve a burden on interstate commerce, said Rolleston, "is so much hogwash." He related that since an injunction against discrimination at the motel was issued in August there were only three requests by Negroes for lodging.
The public accommodations section says that "all persons shall be entitled to full and equal enjoyment of goods, services, facilities, privileges, advantages and accommodations of any place of public accommodation as defined in this section, without discrimination or segregation on the ground of race, color, religion or national origin."
The Heart of Atlanta Motel is located adjacent to an interstate highway. It was agreed in the case that 75 per cent of its guests are from states other than Georgia.

Teachers Want Little More Say So

LITTLE ROCK (AP)—An education group has approved creation of a commission one spokesman said would give teachers "a lot more to say about who stays in the profession than they have had in the past."
Creation of a Commission on Professional Rights and Responsibilities was approved by the Education Council of the Arkansas Education Association at a meeting here Saturday.
The commission would have authority to conduct investigations into alleged unprofessional or unethical conduct and would protect personal, civic and academic rights of teachers.
The council also approved a resolution commending Gov. Orval E. Faubus for "going along with our financial recommendations." Faubus has promised teachers a salary raise.
The council reaffirmed resolutions that all current tax sources should be maintained and sought establishment of a special "extra services education fund."
A new source of revenue should be found for this fund, the council said. From it could be made appropriations for educational television, vocational rehabilitation services, the state Library Commission and vocational-technical schools.
The council recommended establishment by the 1971 biennium of a minimum teacher salary of \$4,800 for those holding bachelor degrees and \$5,200 for those holding masters degrees.
It asked that a \$2 million surplus accrued in 1964-65 be allotted by the legislature to the public school fund and that the fund be given a new base amount of \$63 million rather than \$64.5 million.

Goldwater carried six.

This Beagle Can Be Recognized

STUDIO CITY, Calif. (AP)—Willie, who people say is a most unusual beagle, is lost.
How will you know if you find him? Listen.
Willie, described as one of the only two dogs in the nation with a cleft palate, barks: "Darf, darf, darf."
Judith Bokelman said Sunday that a gardener left a gate open and her 2-year-old pet scampered off.
He was under treatment as an outpatient following surgery at the UCLA Medical Center when he made good his escape.
Lab director Norman Bleicher said that dogs born with a cleft palate seldom live long, and that scientists hoped to learn new methods of treatment by studying Willie, and, eventually, his offspring.

Two Youths Escape Jail at Marshall

MARSHALL, Ark. (AP)—Two teenagers escaped from the Searcy County jail here early Sunday and today State Police attempted to seal off a Newton County wilderness area where the pair was believed to be hiding.
Sheriff Beal Sutterfield said Daniel Henry Moore, 17, of Boston, Mass., and Jerry Lee Rine, 17, of Omaha, Neb., pried open a window of the jail early Sunday, but the escape wasn't discovered until noon.
Sutterfield said the two stole a car owned by the Stone County Sheriff, whose wife was visiting in Marshall. It had no radio equipment.
The car was found abandoned in the Pelsor community south of Jasper. State Police said there were a lot of deer hunters in the area and they thought the two would attempt to steal another car.
Sutterfield said the jailbreak is the second one within a week for Moore and Rine. They pried open a window last Tuesday night and made their way to Springfield, Mo. before being arrested, he said.
He said Moore, Rine, Patrick Lavern Smith, 15, and Charles B. Noble, 21, both of Omaha, were being held in connection with cafe and service station burglaries in the area.
Smith and Noble were taken Sunday to the Boone County jail at Harrison for safe keeping, Sutterfield said.

The board also approved the expenditure of \$20,250 from its contingency fund to correct any inequities resulting from the operation of the Minimum Foundation Program Act of 1957.
The funds went to 18 districts. The minimum foundation program provides funds to school districts on a basis of average daily attendance per pupil in the district.
Districts receiving additional funds were: Gould, \$5,000; Kingston, \$2,800; Star City, \$2,500; Searcy, \$1,200;
Logan County, Hazen, St. Paul and Harmony Grove in Ouachita County, each \$1,000; Western Groves \$800; East Side in Conway County and Pike County, each \$700; St. Joe and Alread, each \$600; Willshire, Oak Grove (Nevada County) and Bodcaw, each \$500 and Scotland, \$300.
This brings the total amount paid from the department's contingency fund to \$49,000 of \$50,000 allowed during the year.

Overplanting Probe Hurts Delta Area

By J. C. TILLMAN
Associated Press Writer

A federal re-check of cotton acreages in eastern Arkansas is almost complete, a state official says, and apparently the government's purpose of uncovering some gross overplantings has been served.
But the investigation ground the economy of the delta area almost to a halt and left many farmers with grave doubts about their future relationship with Uncle Sam in crop control programs.
They claim that the government opened a war against them unfairly.
There remain many battles to be fought.
The crux of the issue stimulated by the re-check is: How does a farmer know when he has abided by the regulations, if one grown can say he has and issue a card of compliance, then another can revoke it by ignoring ground rules of the first agency?
When the Department of Agriculture began the probe, it said that penalties could range up to \$50,000 for severe over-plantings and indicated that allotments had been exceeded on some 1,200 farms.
Friday Mark Glover, chairman of the state Agricultural Stabilization and Conservation Service which oversees federal crop programs, said about 700 farms had been checked and that the investigation would be complete by Jan. 1.
Glover said about 140 farmers were found guilty of violations, but only 35 or 40 would be assessed penalties. Of these, only 10 or 12 overplanted seriously, he said.
Farmers in St. Francis County have maintained all along that the government would not find widespread heavy overplanting in the county.
They claim that in an effort to find the ones who did break the rules in a big way, the USDA put the whole county under suspicion.
At the heart of the issue is accurate measurement of planted acreages.
When a farmer enters a control program he receives a certain allotment of his crop to plant. The acreage is measured and he plants it.
Then the "ASCS" checks the acreage and if it is overplanted, the farmer has a series of options. Most farmers say they deliberately overplant their cotton for two reasons. First, they stand to lose allotted acreage if it isn't planted. Second, by the time the measurement is made,

Autopsy Planned on Elephant

FORT WORTH, Tex. (AP)—An autopsy was scheduled today on Queen Tut, a 44-year-old elephant which died of an apparent heart attack at the Forrester Park zoo Sunday.
The elephant, a main attraction at the zoo, was credited with saving the life of former zoo superintendent Jim Brown in 1940.
Brown was being savagely trampled by another elephant, Penny, when Queen Tut intervened and stood protectively over the critically injured man until he could be rescued. Penny was destroyed.
they know which cotton will make the best stand and plow up the worst.
A farmer can ask for a re-check by the ASCS if he has been found overplanted, or he can plow up the excess cotton. But if he wants to harvest it, he can do so under a "red card" which denies him government benefits such as price support. He usually has to sell the cotton for considerably less money.
If he is found to be within his acreage or plows up the overplant, he is deemed in compliance and given a "green card" allowing him to put his government in the Commodity Credit Corporation loan (price support). He is also eligible for various other government programs.

Judgment Is Upheld by State Court

By LEN TALIAFERRO

LITTLE ROCK (AP)—The Arkansas Supreme Court upheld today a Jefferson Chancery Court decision awarding a woman a portion of the sale price of a laundry-cleaning business and a house in which to live for the rest of her life.
The court indicated it was a landmark decision.
The lower court had ruled that Mrs. Dema Young, former wife of Raymond Young, was entitled to the award because Young had orally contracted to provide her with a good salary, a house in which to live for the rest of her life, and had promised to will her one third of the business at his death.
Young later sold the business, court records showed, and Mrs. Young alleged that he wanted to move her out of the house.
She filed suit asking that Young be prohibited from selling the house and asking one-third of the sale price of the business.
The lower court ruled that Mrs. Young was entitled to live in the house and awarded her \$12,000, which the court said amounted to one-third interest on the balance still unpaid by the purchaser of the business.
The Supreme Court said that in 1945, after Young and Mrs. Young had divorced and Mrs. Young had moved to Little Rock, Young made the oral contract in order to get Mrs. Young to return to Pine Bluff to assist him in the business.
Both Young and Mrs. Young filed appeals in the case. Young sought to have the award overturned, and Mrs. Young sought more money for her share of the business.
Mrs. Young said she was entitled to \$20,000, which she said was one-third of the \$60,000 for which Young sold the business.
The Supreme Court ruled there was not enough evidence to show the actual value of the business, and upheld the lower court ruling.
Associate Justices Jim Johnson and George Rose Smith dissented in an opinion written by Johnson. Johnson said, "A careful study of the entire record... impels me to the conclusion that the testimony in this case amounts to no more than a swearing match between partial witnesses."

Television and Radio

NEW YORK (AP) — "That Was the Week That Was," referring to the latest Nielsen television ratings, noted that the three top shows were "Bonanza," a Western; "Bewitched," a comedy about a beautiful witch, and "Gomer Pyle," a country boy who joins the Marines.

"Today," continued the TV3 commentator, "87 pilot shows were started in Hollywood, each one about a bewitched cowboy who joins the Marines."

Truth is never too far from satire.

This surveyor of the television scene has been keeping a file of plans for programs aimed at next season. It contains announcements of more than 75 new programs and is undoubtedly incomplete. This is the season when shows are being bought for next September.

With TV interest in the fantastic and eerie running high, I note a projected program called "My Mother, the Car," costarring a talking automobile; "The Ghost Breaker," with a hero who defeats houses; something called "The Haunted," and "Thompson's Ghost."

The doctor fad seems to be waning, but in the works are a comedy about a pediatrician called "My Son, the Doctor," and "Daktari," about a veterinarian in Africa.

Usually more than 200 program ideas are developed beyond the blueprint stage each season but at least 75 per cent are born to blush unseen.

"DEAR ABBY"

IT'S POSSIBLE!

By Abigail Van Buren

Dear Abby: A few months ago a friend asked me to escort his cousin, who is in a wheelchair, to a party. She turned out to be a charming girl and we had a most enjoyable time.

Since then I've dated her several times. (Mostly drive-ins because getting her in and out of a car is, in her own words, "quite a production.") I am a college senior and a big dance is coming up. She loves music and is an excellent conversationalist and I'm sure once we get into the place and settled down she would have a fine time. She has a collapsible wheelchair and uses a "transfer board," but I'm sure I could get someone to help carry her. She doesn't seem sensitive about her disability, but my question is, do you think it is proper to ask a girl in a wheelchair to a dance?

"G" IN JERSEY
Dear G: Get on the subject of dances, and ask her how she'd feel about attending one. In escorting a handicapped person, the stairs present the greatest problem. Investigate beforehand and if the place can be entered without too big a "production," explain what is involved and let her make up her own mind.

Dear Abby: You recently printed a letter from a woman who telephoned a minister and asked him for a prayer she could say for her mother, who had just died. He replied, "I am too busy to help you. . . and besides, what good will prayer do her now?"

The minister was wrong in his first remark. But he was right in his second.

When a person is dead, it is too late to pray for him. If he died and went to heaven, he doesn't need our prayers. If he died and went to hell, our prayers will not reach him.

Sincerely yours,

A PENNSYLVANIA MINISTER

Dear Abby: My husband came from a large family and so do I. Between us we have 2 nieces and nephews. In the past we have always bought them Christmas gifts, but now that they aren't "children" any more (some are now married) a little toy or trinket to put under the tree is no longer adequate. We can't afford expensive gifts, so I told all the nieces and nephews on MY side that I wasn't giving gifts this year and not to give us anything. They all understood and agreed. I think my husband should call everyone on HIS side and tell them. He says it's MY job! What do you think? I'm not as close to his relatives as I am to my own.

Woe is Me
Dear Woe: Your husband probably isn't any closer to HIS nieces and nephews than you are, so be a good sport and shoulder the load.

Dear Abby: I don't blame the husband for getting sore because his wife asked the television repairman to zip up her dress. The way those guys charge, he will probably find at least a \$2.50

Colts, Browns Go Into NFL Title Game

By MIKE RATHET

Associated Press Sports Writer

The Baltimore Colts vs. the Cleveland Browns for the National Football League championship. Johnny Unitas vs. Jim Brown.

The ideal test — Passing vs. Rushing.

But it's not that simple. Despite the fact that Unitas and Brown are the acknowledged leaders in their respective phases of the game each team has multiple offensive weapons and proved it in final regular seasons games.

The Browns clinched their first Eastern Division title since 1957 by crushing the New York Giants 52-20 as Frank Ryan fired five touchdown passes. Lenny Moore and Ray Berry played key roles for the Western Division champion Colts Sunday, setting records in a 45-17 romp over Washington.

Taking the three standouts from each team in those games reveals some intriguing matchups for the championship game at Cleveland, Dec. 27.

PASSING

Unitas — Passed for two touchdowns and wound up the season with 158 completions, a 51 per cent accuracy mark 2,827 yards gained and 19 TD's. He had six passes intercepted.

Ryan — Finished the season with 174 completions, a 52 per cent mark, 2,404 yards and 25 TD's. He had 19 passes stolen.

RUSHING

Moore — Scored two touchdowns and brought his total to 20, breaking the record set by Jim Taylor of Green Bay in 1962. Gained 564 yards during the season for a 3.7 average.

Brown — Scored one touchdown for 105 during his career, tying the record held by Green Bay's Don Hutson. Gained 1,446 yards during the season for a 5.2 average.

RECEIVING

Berry — Caught five passes for a career total of 506 — three more than the record held by Bill Howton of Green Bay and Dallas. Has caught 43 passes this year for 663 yards and six TD's.

Paul Warfield — Caught five passes for total of 52 and 920 yards, scoring once for a total of nine touchdowns. Warfield is the first Brown since Mac Speedie in 1952 to catch more than 50 passes.

In addition, the teams produced two of the league's top three-point scorers with Moore winning the title with 120 points to 115 for Cleveland's Lou Groza and Jim Bakken of St. Louis.

The Cardinals, who had a shot at the Eastern title until the Browns whipped New York, edged Philadelphia 36-34 on Bakken's fifth field goal — a 19-yarder with 22 seconds remaining. St. Louis will meet Green Bay in the Playoff Bowl at Miami, Fla., Jan. 3.

The Packers tied Los Angeles 24-24 and deadlocked Minnesota for second place in the West but won the Playoff Bowl berth because they outscored the Vikings in their two meetings this season. The Vikings finished out their season with a 41-14 thumping of Chicago.

Elsewhere, Detroit defeated San Francisco 24-7, and Dallas edged Pittsburgh 17-14.

Ryan was the big man for the Browns, completing 12 of 13 passes for 202 yards and those five touchdowns while scoring once himself on a 12-yard run. The touchdowns put the Browns ahead to stay 10-7 and started a streak in which Cleveland scored six consecutive times.

The Colts were locked in a 10-10 tie with the Redskins at the half but moved ahead in the third quarter on Jerry Hill's seven-yard touchdown run before Unitas hit for a touchdown pass and Moore plunged short yardage for his two touchdowns to put it out of reach.

Unitas wound up with 13 completions in 20 attempts for 224 yards and a pair of touchdowns. Bakken tied an NFL record with his five field goals, the last one coming after he missed a 53-yarder with less than two minutes remaining.

Bart Starr of the Packers also broke a league record on the final day of the season, completing 26 passes without an interception for a string of 225 in a row without a steal. The old record of 206 was set by Milt Plum in 1959-60.

Starr hit Boyd Dowler with a five-yard touchdown pass to start a 14-point fourth quarter against the Rams, then Jim Taylor got the tie with a one-yard plunge. The big play for Los Angeles was a 95-yard pass from Bill Munson to Bucky Pope.

Bill Brown scored three touchdowns as the Vikings completed the Bears' disastrous season. Plum connected with Jim Gibbons on 54 and 82 yard scoring plays in the Lions' victory over the 49ers and Perry Lee Dunn bolted three yards for the Cowboys' clinching touchdown against the Steelers.

Falling Picture Saves a Life
CROSSETT, Ark. (AP) — A falling picture saved the life of a 70-year-old woman here early today.

Mrs. W. C. Neal, who operates a small grocery just outside the city limits, said she was asleep in the rear of the building when it caught fire.

The picture cord burned loose from the wall and the picture fell onto her bed striking Mrs. Neal on the head. She made her way out of the store.

Firemen managed to save surrounding frame buildings, but the store was destroyed.

Bobcats Knock Hogs Out of Unbeaten List

By CARTER HARDAGE
Hope Star Sports Writer

Coach Billy Mitchell's Bobcats outran, outshot, and out-holed the Texarkana Razorbacks 64-59 to take first place in the Magnolia Invitational Tourney Saturday night.

Hope came back from a disastrous first quarter and then rallied from behind again in the final period to hand the taller and stronger Hogs their first loss in nine starts.

For the first three minutes of the match, both teams were neck and neck. Hope led 7-6. Then Freddie Green started sacking them up. He hit five straight, just shooting over the Cat's zone defense from his favorite spot, the left corner. The Bobcats turned into so many chunks of ice, and before the quarter was over they had watched their lead crumble into a 17-8 deficit.

The second quarter was a different story. The Bobcats came on like a house afire. Ronnie Ingram and Jerry Burnett both started gunning from the outside, and when the ball came to Green, he was bottled up like a frog in an earthquake. With 1:49 left in the first half, and the score tied at 21 all, the Cats began to press. They went to the dressing room with a 28-23 advantage.

In the third period, the Hogs came on strong behind the shooting of Green and Bobb Sutton. They slowly but surely hammered down the Hope lead and the score at the end of the quarter had T-Town in a 43-41 command.

The two teams matched shot for shot for most of the fourth period. With 3:32 remaining, the Razorbacks still held on to their slim lead, 51-47.

Buddy Jordan came into the game, and sacked a quick two points. Then Burnett made a steal and fed Jordan under the basket for two more. The score was tied at 51-51.

Green went to the charity line for two points after Burnett fouled him, but Mike Archer popped sack from the corner to even things up again at 53-53. The crowd began to come to life.

With 11:46 on the clock, Jimmy Gross racked up two free tosses to send the Hogs to 55-53. Sophomore Stan Parris then scored from under the goal to even the match.

The see-saw battle continued as the clock faithfully advanced. Dana Roberts sent Texarkana back into command with two free throws. Mike Archer also got a chance at the line, but sacked up only one. Hope trailed 57-56.

With 1:02 left, Dick Skinner fouled Burnett as he went in for a lay up, and Burnett sacked both of them.

Stan Parris then grabbed a rebound and shot it to Ingram under the basket to send Hope into a 60-57 advantage.

Only 37 seconds remained, and Texarkana panicked. Gross charged Burnett, and then Sutton fouled him as he tried to shoot. Burnett sank two more for the line.

The Hope defense let Gross have a shot to pull the Hogs up to 66-60, but only five seconds remained. In desperation, Green fouled Burnett with two seconds left. Burnett ended the scoring at 64-59 by sinking his free shots.

The whole Bobcat squad jubilantly accepted the winning trophy at the presentation immediately after the game.

Jerry Burnett led the balance Hope offense with 18 points. Mike Archer popped in 12, and Ronnie Ingram had 11. Stan Parris 10, Buddy Jordan 8, Dennis Ramsey 3, and Andy High 2. Green had 30 for Texarkana.

The Bobcats showed up well on defense, especially on the steals

Hope's Holiday Tourney Will Start Tonight

By CARTER HARDAGE
Hope Star Sports Writer

The sixth annual Hope Holiday Tournament will get under way in Jones Field House this evening at 6:00.

Eight Senior boys teams are entered this year, and eleven Senior girls.

Three of the girls games will be played tonight. The first game will pit Springhill against Stephens. At 7, Glenwood will play Stamps, and at 8, Hope's Lady Cats will battle Guernsey.

Hope is the only AA team entered in the tourney. Ouachita will be the only A team. The rest are B schools.

There will be no games in tournament play Tuesday night. Instead the Bobcats and the Junior Boys will go against Prescott in scheduled play.

by Ronnie Ingram and Jerry Burnett.

This game somehow calls to mind those words of wisdom, "When the going gets rough, the rough get going." They did Saturday night.

While the Cats were battling down at Magnolia, three Hope teams were also playing at Bodcaw.

The "B" Boys racked up almost as many fouls as they did points in their 66-48 loss to the Bodcaw Seniors.

With a 38-35 lead at the end of the third quarter, they allowed Bodcaw twenty-one free tosses during the final period. It was too much, and they lost their second game of the season.

Mike Westbrook led in scoring with 12 points, followed by Larry Don Wright, with 9, Eddie Aslin and Bobby McGill with 8 apiece, Fred M. Ellis 5, and Gene Thompson 4. Hope also led in fouls, 34-16.

The Lady Cat's breezed their way to a 63-21 win over the Bodcaw seniors.

Cecilia Archer was head gunner for the Ladies with 14 points. Phyllis Martin had 13, Cindy Reese, 9, Shirley Smith 8, guards Regina Smith and Pat King had 6 each (her's a switch Beck Lewis 3, Diane Dean 2, and Guard Linda Reese 2. Butler not only led for Bodcaw, she scored all of their 21 points.

The Kitty Cats held Bodcaw scoreless during the entire second and third periods to deliver a 33-11 smashing.

Carol Anthony sacked up 23 points, Gail Hartsfield 8, and Patsy Hatfield 2 for Hope.

2 Bowl Games on Saturday's Grid Menu

By THE ASSOCIATED PRESS

The nation's top small-college football teams have wrapped up their post-season activity, setting the stage for the major bowl activity that gets underway Saturday with the Bluebonnet at Houston and the Liberty at Atlantic City, N.J.

While the major college powers continued preparations for their games, four NCAA regional college-divisions champions were crowned Saturday. Long Beach City College won the national junior college crown by defeating Cameron, Okla., 8-6 in the Junior Rose Bowl and Concordia, Minn., and Sam Houston State tied 7-7 in the NAIA Championship Bowl.

The major bowl program that will last until the Senior Bowl Jan. 9 gets under way Saturday with Mississippi, 5-4-1, meeting Tulsa, 8-2-0, in the Bluebonnet Bowl while West Virginia, 7-3-0, tackles Utah, 8-2-0, in the Liberty Bowl.

In the NCAA regionals last Saturday, East Carolina came out on top in the East, Middle Tennessee State College in the Midwest, State College of Iowa in the Midwest and Montana State College in the West.

East Carolina nipped Massachusetts 14-13 in the Tangerine Bowl at Orlando, Fla., driving 91 yards for a fourth quarter deciding points on Bill Cline's fumble as Middle Tennessee two-point conversion pass to touchdown and getting the Grantland Rice Bowl at Muskingum 20-0 in the Dave Bunker.

Ray Neal ran 99 yards for a touchdown with a recovered freesboro, Tenn.

Randy Schultz gained 160 yards and scored two touchdowns, leading State College of Iowa to a 19-17 decision over Lamar Tech in the Pecan Bowl at Abilene, Tex.

And Montana State whipped Sacramento State 28-7 in the Camellia Bowl at Sacramento, Calif., as quarterback Poy McClung scored one touchdown and passed for another.

Blevins Takes Two From Spring Hill

Blevins and Spring Hill tangled Friday night with Blevins emerging winner in two of the three games but one required two overtimes.

The Blevins Senior boys posted a 54 to 52 victory in the overtime affair. Sweat with 15 and Hicks with 12 led Blevins. G. Anderson made 18 and McCormack 14 for the loser who only hit 29 per cent from the field.

Blevins Junior Boys also posted a 32 to 27 win with Smith getting 14. Spring Hill's McNeil got 14, too.

Spring Hill Senior Girls scored a smashing 50 to 39 win. Betty McNeil made 20 and Bonny Kidd 12. Both Wilson and Bonds had 14 for the losers.

Giardello to Gamble on Ability

By MURRAY ROSE

Associated Press Sports Writer

PHILADELPHIA (AP)—Middleweight champion Joey Giardello gambles on his ability to lure paying customers tonight when he takes on dangerous Rubin (Hurricane) Carter in a 15-round title fight at Convention Hall.

The 34-year-old champion from nearby Cherry Hill, N.J., is the 7-5 betting choice over the second-ranking contender from Paterson, N.J. Starting time is

10 p.m., EST.

There will be no national television. It will be seen on home television or in theaters and arenas in several cities as the result of some late sales.

But if Joey is to take home a fat purse it will have to be mainly on his gate-pulling attraction in his home-town area.

Promoter Jimmy Riggle optimistically forecasts a crowd of 9,000 or 10,000 and a gross gate of \$150,000. If he takes in from \$50,000 upwards it will prove boxing isn't dead yet.

Giardello won the 160-pound division title with an upset 15-round decision over Nigeria's Dick Tiger at Atlantic City, N.J., Dec. 7, 1963. He has had only two non-title fights since, outpointing Argentine's Rocky Rivero twice.

He has won seven straight over a 25-month span, the most victories he has strung together since 1958.

A veteran of 16 years of pro battling, Giardello has a 95-22-11 won-lost-draw record, including 32 knockouts. He has been stopped only three times, the last by Spider Webb in the seventh round six years ago. All three were technical knockouts.

Carter, 27, started boxing in the Army, and has a 20-4 record in three years of pro battling. He has scored 13 knockouts and been stopped once—by Joe Gonzalez in six last year.

Bears Going Great in SW Conference

By THE ASSOCIATED PRESS

Southwest Conference teams have a dozen intersectional games this week and that's where Baylor, the surprisingly undefeated outfit that scores from any angle, gets its first big test.

The Bears will be in Nashville Friday to play in the Vanderbilt Classic, meeting first Vanderbilt itself. Vandy is one of the highest ranked teams in the country and held the No. 3 spot last week before getting knocked off by Virginia Tech.

In the second round Baylor will clash either with Oklahoma State or Florida State.

Texas A&M, which has dropped only one game and made up for that last week when the Aggies beat Memphis State 81-71, also will be on the tournament trail. A&M plays in the Bluebonnet Classic at Houston Wednesday and Thursday, taking on Rice and Houston.

The Aggies don't seem to be in as much danger as Baylor since

Rice is winless and Houston is 50-50.

A&M starts off the week by playing Houston at College Station before going to the Bluebonnet Classic, which is not a tournament exactly but two double-headers with Rice meeting Auburn in addition to the Aggies.

Baylor was the big noise last week as the Bears cracked all kinds of conference records with a 139-88 victory over Trinity. That's the most a conference team ever scored and is within 15 of the all-time collegiate record held by Furman.

Texas A&M whipped Sam Houston State 75-58 and Memphis State to bring its record to 4-1.

Arkansas finally won a game and it had to be Hardin-Simmons, which was boasting the longest winning streak among the major colleges—13 straight. The Razorbacks won 68-63.

Southern Methodist broke its losing streak that had stretched to three straight when it clouted Louisiana State 98-75 and Texas Tech snapped a two-game losing skid by topping Wyoming 98-87.

Texas continued to sink, with an 83-75 defeat at the hands of Louisiana State and an 86-73 licking from Oklahoma.

Texas Christian beat Arlington State 95-71 but took a 67-62 drubbing from Houston and an 82-73 lashing from Loyola of New Orleans.

Violations Unknowingly, UA Declares

FAYETTEVILLE, Ark. (AP)

The University of Arkansas accepts the Southwest Conference decision that it violated football recruiting rules — but says any infractions were done unknowingly.

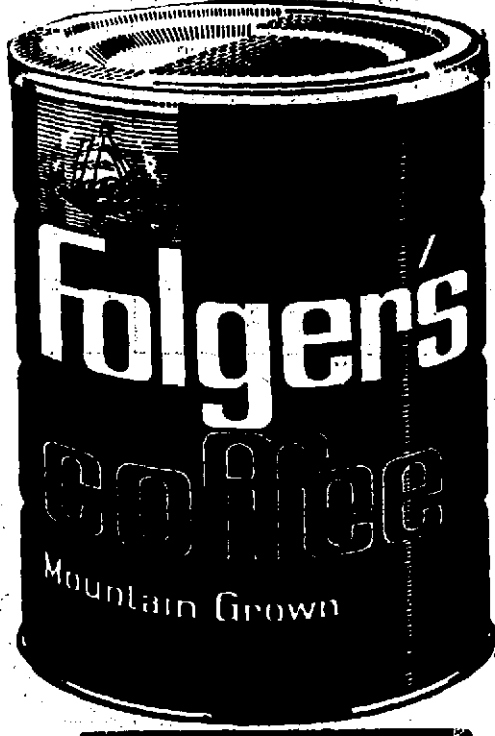

This was the gist of comments Saturday by head football coach Frank Broyles and University president David W. Mullins after the conference placed Arkansas on probation.

The probation was without sanction, so Arkansas can play in the Cotton Bowl Jan. 1. The SWC champions, ranked No. 1 in the nation, meet Nebraska in the bowl game.

Broyles said, "I can assure everyone that our every intention is to comply with the rules. This has been our intention in the past, and it will be in the future."

"The specific items in the action taken (Saturday) are not available to me now. I can only guess. They will become available to me in a meeting next week with our faculty representatives. Even then, however, the particulars will not be released or commented on. We are prohibited by instructions from the conference from doing so."

Broyles declined further comment on the action.
